Opening:

The meeting of **Group4** was called to order at 6:00 pm on November 7, 2012 at SPSU by The Team.

Present:

Matthew Powell
Robin Mays
Thomas Couture
Samuel Hall

Present:

A. Approval of Agenda

The agenda was unanimously approved as discussed.

B. Approval of Minutes

The minutes of the previous meeting are available for viewing.

C. Opening Issues

We had two things carry over from the sprint 1, as they did not work as completely intended.

1. Review fixes to the web crawler including login functionality, UI design, and table sorting: Robin, Lee, Matthew, and Thomas
2. Reformat test plans and add test plans for new features: Matthew

Currently those two are at the top of the list, as the crawler and report viewer are of high priority.

D. New Business

Review Sprint 2 Backlog.

3. Sorting of the report fields (UC Report-3): Not yet complete/Robin and Thomas
4. Printer Friendly Report (UC Report-4): Not yet complete/Robin and Thomas
5. Report Comparison shows changes between two reports (UC Report-5): Not yet complete: Robin and Thomas
6. Showing a report from a live scan. (UC Report-6): Not yet complete: Lee and Matthew

7. Scan limitations by Runtime. (UC Crawler-3): Complete/Lee and Matthew
8. Rerun a previous scan and compare the two reports. (UC Crawler-4): Not yet complete/Lee and Matthew(backend for #5)
9. Distinguishing that a page is a secure page and not an error. (UC SSL): Complete/Lee and Matthew
10. Sort the report based off of sub domain. This specific sort was lower priority which is why it is not with the other sorting methods. (UC Report-7): Not yet Complete/Robin and Thomas
11. Login. The login is functioning but is lacking a UI at the moment.(UC Login): Complete/Lee
12. Pause a running scan. (UC Crawler-5): Not yet complete/Lee and Matthew
13. Running a predetermined scan set up by the user by time and date. (UC Crawler-6): Not Yet Complete/Lee and Matthew
14. Loadtime determined and added to the report. (UC Crawler-7): Not yet complete/Lee and Matthew

E. Agenda for Next Meeting
